The transport service **is full of *emigres;* they call themselves *Royal-Gharroisi* and sport** green **collars under my** very eyes. As you may imagine, **I** am **constantly ordering** arrests, but they have a **habit of being** where I am **not.**

The new agent appears **to be an improvement on Thfrvenin.** Thin, you **understand,** refers **only to the thieves on** a large **scale. Would** you believe **that** attempts are made to bribe my **secretaries in** my very office ?

Tins denunciation **is on** my **soul and** conscience, as **member of** the jury. They **are all** spies. There **is not** an army agent who is not hoping for our defeat, and corresponding with the enemy; **most of** them are ***emigrfa;* it** is they reveal our numbers; and I have to be more **careful** of **them** than **of Wurmner.**

17th$_f$ **Modena:**

Bologna* Modena, Reggio, and Ferrara have convened **a congress.** They are **animated with the greatest enthusiasm and the** purest **patriotism; they** nee already Italy new **made. A legion of <500** men **in** being **organized, equipped, clothed, and paid at their own ex{xmse, and without our intervention. Should these troops** make a **good** showing, the **consequences might** In* very important.

(To Josephine,) I **was in** the **saddle all yenterday;** to-day I am **in bed.** Fever and a bad headache have prevented me from writing to my **adorable** friend; but her letters
